

April 1, 2010

We will be offering an expanded "Extended School Year Program" at Saint Catherine Academy from June through July . The Extended School Year Program will offer continued reinforcement of academic and life skills as well as recreation and enrichment activities in art and music for students with intellectual disabilities. The summer program offers an opportunity for socialization as well as the reinforcement of social skills learned throughout the regular school year.

We are planning some exciting changes to our program this summer and hope that you will consider our program.

The schedule will be as follows:

Session 1	June 28 – July 9 (no school scheduled on July 5) 8:30 am – 12:30 pm
Session 2	July 12 – July 8:30 am – 12:30 pm

Each session will be a combination of reinforcement and a variety of activities offering a comprehensive four week program offered by members of our current staff. The fee for each session is \$200. If this program is included in an Individualized Education Plan, billing will be made directly to the sponsoring school district. A fee schedule will be established according to the additional services required to meet the goals of the IEP.

Space will be limited to twelve (12) students.

It is important that we know as early as possible of your intent to enroll your child so that we reserve a spot . Please complete the enclosed form below and return it as soon as possible but no later than May to insure a spot in the program and to allow time for a consultation with our program administrator.

If you have any questions, please feel free to contact me at 203-540-5381.

Sincerely yours,  
Sr. Marilyn Muldoon  
Principal
