

## Welcome Back!

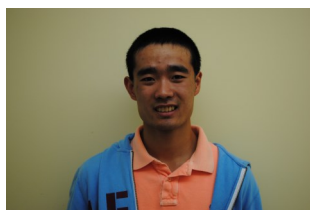

Everyone returned to the Center following our shut-down in August. There were smiles all around! The shut down allows us to clean everything and wax the floors. We were able to move some furniture around as well and set up our new chairs in the Adult Room. We are waiting for our new tables to arrive so that we have enough space for all our new and returning friends.

The summer is flying by and the group is trying to take advantage of these beautiful days with walks and picnics at Lake Mohegan. Thursday barbecues have become a favorite activity. Although everyone would agree that it is nice to come inside to the cool air conditioning when the temperatures heat up!

We are happy to welcome our new participants to the Center Day Program.

Miss Rachel, Gus and Ryan relax on the couch during Gus' first week.

Andy is our newest member of the group. Welcome Andy!

## The Discovery Museum

A trip to the Discovery Museum in Bridgeport gave everyone a chance to explore and try some new activities like what it would feel like to be an astronaut or drive a bus!

## A visit to the Farm

Tierra checks out the goats

## Upcoming Dates

August 16  
*Mall Walking and*

August 22
